

UK CLL Forum Annual Scientific Day

Understanding CLL genotype and tumour environment: New therapeutic potentials

Thursday 29th March 2012

School of Oriental & African Studies, Thornhaugh Street, London WC1 0XG

This meeting is dedicated to Professor Terry Hamblin, founder of the UK CLL Forum, who died on 8 January 2012

This meeting is kindly sponsored by:

Gold Sponsors

Silver Sponsors

Supporters

Beating Blood Cancers

Lipomed GmbH

10.00 *Registration and Coffee*

Morning Session:

10.30 Tribute to Terry Hamblin

10.40 **LLR-Sponsored Lecture:**
New insight in the pathogenesis of CLL: interplay between tumour genotype and microenvironment

11.15 T cell interactions in CLL

11.45 T cell repertoire in chronic lymphocytic leukaemia

12.20 Extraordinary AGM:

1. Transfer of Chair
2. Election

12.30 *Lunch*

Afternoon Session:

13.30 Novel pathways for inducing cell death in CLL

13.50 Quantitative analysis of cell turnover for personalising treatment of CLL

14.10 Signalling in CLL; connecting upstream receptors to downstream biological responses

14.30 Targeting DNA damage response proteins to overcome chemoresistance in CLL

14.50 New approach to target multiple DNA repair pathways in CLL

15.20 *Coffee*

16.00 Hamblin prize presentation

16.10 Trials update

16.25 Guidelines update

16.30 Website update

16.40 *Meeting Close*

Chair: Prof Andy Pettitt

Outgoing Chairman of UKCLL Forum

Prof Daniel Catovsky

Institute of Cancer Research

Prof Nicholas Chiorazzi

*Feinstein Institute for Medical Research
New York, USA*

Prof Ludvig Munthe

University of Oslo, Norway

Prof Stephen Devereux

King's College London

Chair: Dr George Follows

Incoming Chairman of UKCLL Forum

Dr Andrew Steele

University of Southampton

Dr Karen Brown

University of Leicester

Prof Graham Packham

University of Southampton

Dr Elaine Willmore

Newcastle University

Dr Grant Stewart

University of Birmingham

Introduced by

Prof Tanja Stankovic

Prof Peter Hillmen

St James's University Hospital, Leeds

Dr George Follows

Addenbrooke's Hospital, Cambridge

Dr Aneela Majid

University of Leicester
